- Hong Kong : Sales and earnings was up because of minimal impact of the pandemic and the closure of unprofitable stores.
- Mainland China : Growth continued because of the opening of the second niko and ... Shanghai store and a successful branding strategy. However, costs increased by preparing for new stores opening.
- Taiwan : Even though sales and profits had been declined until August due to COVID-19, recovered from September.
- USA : Economic recovery boosts sales in wholesale, bricks-and-mortar and EC channels, keeping the business profitable.
- South Korea : The withdrawal was completed in 2020.

## Business progress in Mainland China

## ■ Accelerating store openings and establishing a regional focus strategy model

- We have opened three new stores in shopping centers in Shanghai from September to December.
- Implemented a regional focus strategy, which is gaining brand recognition first through our flagship store in Shanghai, and then earning profit through satellite stores in the surrounding areas.
- After establishing this model in Shanghai, we will expand into other cities in mainland China.

Flagship stores focus on brand building

Satellite stores focus on profitability

We have opened in a good shopping centers in Shanghai and currently have 5 stores.
■ Store openings
September 30 at "Taikoo Li Qiantan" November 27 at "Daning Jiuguang" December 22 at "Lala Station"
*Both stores performed well
